**RAMPART RANGE METROPOLITAN DISTRICT NO. 7
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Rampart Range Metropolitan District No. 7 (the "District"), a quasi-municipal corporation, was organized on November 29, 2005, and is governed pursuant to provisions of the Colorado Special Districts Act (Title 32). In 2001, Rampart Range Metropolitan District Nos. 1 and 2 (District No. 1 and District No. 2) were organized concurrently and are contiguous with the aforementioned district. The District together with District No. 1 and District No. 2 are the "West Side Districts", as those Rampart Range Districts operating properties on the west side of Interstate I-25. The District's service area is located entirely within the City of Lone Tree (the "City") in Douglas County, Colorado. The District operates under a Service Plan approved by the City on April 19, 2005. District Nos. 2 and 7 (collectively known as the "West Side Taxing Districts") were established to provide financing for the design, acquisition, installation and construction of water and irrigation systems, streets, traffic and safety controls, fire protection and emergency medical services, television relay and translator facilities, transportation systems, parks and recreation facilities, sanitation facilities and mosquito and pest control. The West Side Taxing Districts provide the tax base needed to provide funding for the above described capital improvements and related operations. District No. 1 (the "West Side Operating District") is responsible for managing the construction and operation of facilities and services of the West Side Districts and for issuing debt. District No. 7 is a Taxing District. Pursuant to their respective Service Plans, the West Side Taxing Districts are obligated to impose a Regional Improvements Mill Levy, which is currently equal to 1.000 mill, and convey the revenue to the City to be used for the planning, constructing or acquiring of regional improvements.

On November 1, 2005, the District's voters authorized the issuance of indebtedness in an amount not to exceed \$5,500,000,000 for the above listed facilities and powers. The election also approved an annual increase in property taxes of \$5,000,000, without limitation to rate, to pay the District's operations and maintenance costs.

Pursuant to the Service Plan, the District is limited to issuing \$500,000,000 in total debt, regardless of individual debt category line amounts. In addition, the maximum debt service mill levy for the District is 50 mills, as adjusted for changes in the ratio of actual value to assessed value of property within the District.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**RAMPART RANGE METROPOLITAN DISTRICT NO. 7
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single-family residential property decreases to 6.95% from 7.15%. The rate for multi-family residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29.0%.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.50% of the property taxes collected by the District.

Development Fees

A development fee of \$12,000 per acre is collected at the closing of each land sale. No development fees are anticipated to be collected during 2023.

Expenditures

Administrative and Operating Expenditures

District No. 1 records all operational and administrative expenditures for the West Side Districts.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.50% of property tax collections.

2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures (Continued)

District No. 1 – IGA reimbursement

Pursuant to the Third Amended and Restated Capital Pledge Agreement dated October 1, 2017, by and among the District, District No. 1 and District No. 2, and the Operations Pledge Agreement dated April 30, 2007, by and among the District, District No. 1 and District No. 2, revenues collected by the District, including net property taxes and specific ownership taxes, will be remitted to District No. 1 and will be used to pay operations and maintenance costs for the West Side Districts as well as for the repayment of District No. 1's Series 2017 Bonds and Series 2019 Subordinate Loan.

Payment to City of Lone Tree

Pursuant to the Service Plan, which is dated April 19, 2005, the District is required to impose a 1.000 mill levy, the Regional Improvements Mill Levy, and submit the revenue from that levy to the City to be used in planning, designing, constructing, installing, acquiring, relocating, redeveloping or financing of regional improvements as determined by the City. This obligation will remain in effect until the District dissolves or until receipt of written notice from the City indicating that the revenue is no longer required. Part of the General Fund property taxes (equal to the proceeds of 1.000 mill) transferred to District No. 1 will be paid by District No. 1 to the City in accordance with this service plan provision.

Debt and Leases

The District has no outstanding debt. The District has no capital or operating leases.

Emergency Reserve

Pursuant to the intergovernmental agreement, District No. 1 has provided for Emergency Reserves for District Nos. 1, 2 and 7; therefore, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.

I, Elizabeth Matthews, hereby certify that I am the duly appointed Secretary of the Rampart Range Metropolitan District No. 7, and that the foregoing is a true and correct copy of the budget for the budget year 2023, duly adopted at a meeting of the Board of Directors of the Rampart Range Metropolitan District No. 7 held on December 6, 2022.
